Re: Hearing for adopting new maps for the State Responsibility Areas (SRAs)

Public Resources Code 4125 states:

"(a) The board shall classify all lands within the state, without regard to any classification by or for any federal agency or purpose, for the purpose of determining areas in which the financial responsibility of preventing and suppressing fires is primarily the responsibility of the state. The prevention and suppression of fires in all areas that are not so classified is primarily the responsibility of local or federal agencies."

The properties listed below on Canon Drive, Parkside Court, Plateau Drive and portions of Grizzly Peak Blvd. in Kensington were mistakenly included in the State Responsibility Area. Kensington Fire Protection District has the primary responsibility for prevention and suppression of fires for these properties as shown in the attached map of the District. The following addresses are mistakenly included in the SRA:

1. 601 Canon Drive
2. 602 Canon Drive
3. 604 Canon Drive
4. 605 Canon Drive
5. 606 Canon Drive
