Chapter 13. State Responsibility Area Fees

14 CCR § 1665.8

§ 1665.8. Grant Program.

(a) When funds are appropriated by the Legislature for this purpose, the Board shall administer the Fire Prevention Fund Grant Program from the Fees collected. Grants shall be awarded to organizations providing fire prevention activities, including, but not limited to those specified below, that benefit the owners of structures within the State Responsibility Area (SRA).

(1) Public education, including defensible space inspections, to reduce fire risk in the SRA.

(2) Creation of strategic wildfire planning documents, such as a Community Wildfire Protection Plan (CWPP).

(3) Create or maintain fuelbreaks in strategic locations, as identified in the in the Cal Fire Unit Fire Plan or a Community Wildfire Protection Plan, for the protection of communities within the SRA.

(4) Remove ladder fuels to reduce the risk of crown fires and the production of flying embers that can cause spot fires during wildfire activity.

(5) Reduce fuel loading in critical locations to reduce wildfire intensity and rate of spread.

(6) Community level fire prevention programs such as community chipping days, roadside chipping, and green waste bin programs.

(7) Modify vegetation adjacent to roads to provide for safer ingress and egress of evacuating residents and responding emergency personnel during wildfire activities.

(8) Reduce fuel loading around critical firefighting community infrastructure, including, but not limited to, domestic and municipal water supplies, powerlines, and communications facilities. fire hydrants, water drafting locations, and staging areas.

~~(9) Equipment purchases.~~

~~(10)~~ Other activities designed to reduce fire risk to structures in the SRA. These will need to explain the projects benefit to structures within the project area SRA.

(b) Grants shall be distributed commensurate with the amount collected from owners within the SRA. In order to allow for strategic, large projects to occur, the equitable proportional distribution of funds will be measured over the following spatial and temporal scales.

(1) The Cal Fire Unit shall act as the geographic boundaries when accounting for fire prevention fees received and project expenditures.

(2) Expenditures over a 5 year period from this Grant program in any Cal Fire Unit will be proportional to the amount of moneys received from that Cal Fire Unit, and the amount appropriated by the Legislature for these purposes.

(3) Funding will be determined to have been awarded distributed proportionally if it is within 10% of the calculated benefit amount determined in subsection (2) above.

(c) Grant will only be awarded in Counties that contain SRA and are in compliance with the Board's fire safe regulations, 14 CCR 1270, et seq., as required by Public Resources Code 4290. The following organizations shall be eligible to participate in Fire Prevention Fund Grant Program specified above.

(1) Counties.

- (2) Local Agencies or Special Districts, such as Fire Protection Districts or Resource Conservation Districts.
- (3) Fire Safe Councils
- (4) The California Conservation Corps or other certified local conservation corps.
- (5) Qualified non-profit organizations with a demonstrated ability to satisfactorily plan, implement, and complete the proposed fire prevention project.
