Thank you for being proactive in the management of your property by removing dead and dying trees. CAL Fire and the Board of Forestry and Fire Protection would like to make you aware of the information and resources available to you with this letter acknowledging acceptance of the 1038(k) exemption you submitted. The information and resources concern the current forest health situation, what you can do to protect your trees, what to do with the woody material that is generated from your activities and finally types of assistance available to replace the dead and dying trees that have been removed. The information is available at
