WRITTEN COMMENTS AND RESPONSES RESULTING FROM 15-DAY NOTICE OF PROPOSED RULEMAKING PUBLISHED JULY 28, 2017

Helge Eng, Deputy Director Resource Management, California Department of Forestry and Fire Protection (August 14, 2017)

CAL FIRE supports Board adoption of the revised rule text proposed in the 15-day Notice of Rulemaking. As proposed, the revised rule text clarifies the process by which a "Notice of Recirculation" for a Working Forest Management Plan under CAL FIRE review is prepared and distributed. The revised text clearly specifies that a Notice of Recirculation is to be equivalent to a "Notice of Filing" as described in 14 CCR §1094.15.

Board Response: The Board appreciates the Department’s comments.

Rule Text Edit: No.
