Peter Gruchawka, member of the public (online comment) – Stated that he would like a list of the revisions to the VTPEIR.

CONCLUSION

Public Forum

Susan Robinson, Ebbetts Pass Forest Watch (online comment) – In relation to the AB 1504 discussion, is concerned that the USFS Forest Inventory Analysis does not capture the changes to above ground carbon stocks in the forested setting that occurs from Exemptions, Emergency Notices and Timber Harvest Plans.
