RE: Town of Yucca Valley Safety Element Review Request

Dear Board of Forestry and Fire Protection:

The Town of Yucca Valley is requesting review of the updated 2021 General Plan Safety Element, under Section 65302.5 of the California Government Code. The attached Safety Element and assessment review tool were completed by the PlaceWorks, Inc., the Town's Safety Element update team, in coordination with the Town's concurrent update of the 2021-2020 Housing Element as required by Section 65302(g)(6) of the Government Code. In addition, recommendations from CAL FIRE's informal review have been incorporated into the Draft Safety Element. We believe the Safety Element meets all of the state requirements and look forward to your review and comments.
